# Carmenta nominated for Mobile Innovation of the Year

Carmenta has been nominated for the Innovation of the Year Award at the Mobilgalan - the Swedish Annual Telecoms Award - for its mobile phone map engine Carmenta Mobile. The organizers of the award, the Swedish magazines Mobil and Mobil:Business, give the following reason for Carmenta's nomination:

"Carmenta – 3D rendered maps in the mobile phone. Three dimensional images of the street environment take mobile maps and mobile navigation to a new experience level."

"We are very happy with the nomination and pleased to be recognized as a truly innovative company" says Gunnar Storm, Carmenta CEO.

The awards ceremony will be held at Kista, Stockholm, Sweden on the 6<sup>th</sup> November 2008.
